EXPERIENCE

DoorDash, Raleigh — *Delivery Driver*

October 2021 – October 2023

- Maintained a **4.9/5.0 customer rating**, 90% acceptance rate, 100% completion rate, 100% on-time rate, and 100% quality rate.
- Used GPS navigation for deliveries while managing mileage and delivery-related expenses.
- Provided customer service and handled difficult customer situations while working independently.
- Balanced DoorDash work with college coursework while attending Central Carolina Community College.

Camp Invention, Pittsboro — *Leadership Intern*

July 2022 – August 2022

- Supervised multiple groups of students and helped maintain a positive and engaging environment.
- Explained instructions and concepts, answered questions, and assisted students during activities.
- Helped instructors run activities and assisted with demonstrations.
- Helped students brainstorm solutions, resolve conflicts, and work through problems.
- Collaborated with fellow interns, communicated with staff, and took initiative when additional support was needed.

EDUCATION

University of North Carolina at Charlotte, Charlotte — *B.S. in Sports Analytics*

January 2024 – April 2028

Central Carolina Community College, Sanford

August 2022 – December 2023 | Coursework completed prior to transfer to UNC Charlotte

PROJECTS

Kobe Bryant Career Dashboard — *In Progress*

- Developing an interactive dashboard to track Kobe Bryant's career statistics.
- Organizing career statistics and exploring ways to present player performance and statistical trends.
